

# AFRICA'S GREEN INDUSTRIALISATION/MADE IN AFRICA

23rd of April 2024, Royal Tropical Institute (KIT), Amsterdam

## Delegation Overview

### The Federal Republic of Nigeria

COMPANY NAME	THEMATIC SECTOR	ACTIVE IN	LOOKING TO MEET
Mile 12 International Market	Circular Food Production	Grains and Flour	Supply Chain Companies
Mile 12 International Market	Circular Food Production	Tomato Distribution	Fruit and Vegetable Companies
Mile 12 International Market	Circular Food Production	ICT	Agro-Logistics Companies
Mile 12 International Market	Circular Food Production	Processing	Sustainable Agro Companies
Mile 12 International Market	Circular Food Production	Supply Chain	Financial Institutions/Partners
Mile 12 International Market	Circular Food Production	Supply Chain and Agro-Logistics	Financial Institutions and Knowledge Partners
Mile 12 International Market	Circular Food Production	Ginger and Garlic, Supply Chain	Financial Institutions/Partners
Mile 12 International Market	Circular Food Production	Flour Processing	Sustainable Agro Companies
Mile 12 International Market	Sustainable Agro-Logistics	Logistics and Crates Management	Logistics and Packaging Companies, Investors
Mile 12 International Market	Sustainable Agro-Logistics	Logistics Services	Logistics Companies
T.R.E.E. Initiative	Circular Food Production	Production of a variety of indigenous and exotic tree seedlings	Financial Partners and Equipment Providers
Cato Foods and Agroallied Global Concepts	Circular Food Production	Indigenous Food and Agro-Processing	Investors
SuperUrban Limited	Circular Food Production	Crop Protection	Technical and Financial Partners
Postagvest Solutions Ltd	Sustainable Agro-logistics	Training and capacity building, and provision of market linkage for vegetable farmers	Agro-Logistics Companies, Cold Storage Equipment, and Technical and Financial Partners

COMPANY NAME	THEMATIC SECTOR	ACTIVE IN	LOOKING TO MEET
GRIDCRUX	Renewable Energy	Power Infrastructure (PV, Storage etc) and Energy Management Solutions using Energy as a Service / Software as a Service / EPC Power Solution models	OEM Partnerships and Financial Partners
Ashipa Electric	Renewable Energy	Alternative Energy Solutions and Mini Grids for Unserved and Underserved Rural and Peri-urban Communities	Technical and Financial Partners (Mini-grid Developers, Equipment Manufacturers - batteru storage and ESS)
Ecotutu Limited	Renewable Energy	Clean Tech, Cold-Chain Logistics for Agriculture and Health Sector	Renewable Energy and Cold-Chain Companies
Nigeria Solar Marketplace	Renewable Energy	Marketplace Platform	Solar Companies and Service Providers, Financial Partners
Rana Energy	Renewable Energy	Energy-as-a-Service for SMEs and Communities	Solar Companies, Agric
Africa Minigrid Developers Association	Renewable Energy	Industry Association	Developers, Philanthropic Organisations and Financial Partners
Renewables Investment Platform for Limitless Energy (RIPLE)	Renewable Energy	Industry Association	Technology Manufacturers, Largescale Renewables Plants

## The Republic of Sierra Leone

COMPANY NAME	THEMATIC SECTOR	ACTIVE IN	LOOKING TO MEET
The Universal Ventures	Renewable Energy	Construction of Solar Farm Infrastructure	Renewable Energy Companies and Sustainable Agro-Logistics Companies
BH VINA (SL) LTD	Circular Food Production	Processing Forest Products into Furniture	Suppliers of Equipment, Machines, and Furniture Companies

## The Republic of Angola

COMPANY NAME	THEMATIC SECTOR	ACTIVE IN	LOOKING TO MEET
Grupo Nklolo Lda.	Renewable Energy	Technical, Engineering, Project Management and Business Consultancy Services	N/A
